### **REMARKS**

Claims 1-10 have been canceled without prejudice or disclaimer. Claim 11 has been added and corresponds to old claim 9, which the Examiner deemed to be allowable. Claim 12 has been added and it is applicants' belief that it too is allowable in view of the Examiner's statement regarding the allowability of old claim 9.

As for the Examiner's objections to the claims and the drawings, these have been addressed in the new claims and the new claims do not contain limitations not shown in the drawings.

It is respectfully submitted that the present amendment presents no new issues or new matter and places this case in condition for allowance. Reconsideration of the application in view of the above amendments and the following remarks is requested.

### **Conclusion**

In view of the above, it is respectfully submitted that all claims are in condition for allowance. Early action to that end is respectfully requested. The Commissioner is hereby authorized to charge any fees in connection with this application and to credit any overpayments to Deposit Account No. 14-1447. The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,
